NIC #03501-84
15 June 1984

MEMORANDUM FOR: Director of Central Intelligence ←
Deputy Director of Central Intelligence

VIA : Chairman, National Intelligence Council
Vice Chairman, National Intelligence Council

FROM : Major General Edward B. Atkeson, USA
National Intelligence Officer for General Purpose Forces

SUBJECT : NIE 11-6-84: Soviet Global Military Reach

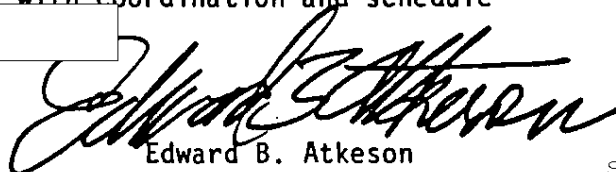

STAT

1. I have received comments from some of the NFIB Representatives on NIE 11-6-84. These include recommendations by DIA to combine the Estimate with NIE 11-10-84, The USSR in the Third World, and recommendations by Navy and DDI to rewrite the Estimate. I do not agree with either of these recommendations. Either course would further delay the Estimate and not resolve the underlying differences. The existing text was specifically developed with sharp judgments so that differences can be highlighted. Accordingly, I plan to begin coordination without further revision of the Estimate.

STAT

2. I also believe it would aid the coordination process if the Estimate were discussed by NFIB Principals at an early date. The purpose of this discussion would be to determine what alternative views need to be added to the Estimate. There may be differences of opinion between some of the Representatives and their Principals. In any event, early attention by NFIB could provide guidance that would focus the coordination meetings.

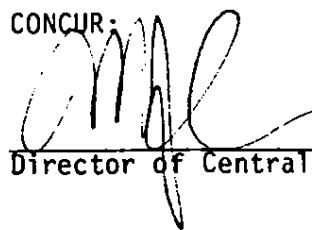

3. If you agree, we will proceed with coordination and schedule NIE 11-6-84 for discussion at NFIB.

Edward B. Atkeson
